May 30, 2016 The content you requested has already retired. It's available to download on this page. The downloadable version of 2000 is MSDE. Personal Edition is not free downloadable. Check this. MSDE. Microsoft Downloads Dump S SQL Server 2000; SQL Server 2000 Personal Edition. SQL Server 2000 Personal Edition. File Description, File Type . MSDE May 29, 2016 Microsoft SQL Server 2000 Express Edition, later renamed to SQL Server Express 2008 R2, was a lightweight and free version of the Microsoft SQL Server, designed to provide a very simple toolset and an efficient way to produce SQL database applications. A free edition of SQL Server Express Edition was previously available for download from Microsoft Download Center (now retired). Downloads Express Edition. MSDE. SQL Server 2000 Express Edition is a no-cost edition of the Microsoft SQL Server. It is only a development edition and is intended for testing, development and learning purposes. It runs on the Windows OS only and requires approximately 4.0 MB of free disk space for a single installation, and is available in both 32-bit and 64-bit versions. SQL Server 2000 Express Edition has a very limited set of features, but is sufficient for typical tasks. Installation and management of SQL Server 2000 Express Edition is easier than the Windows 2000 Database Edition, making it more popular among developers. Windows 2000 Database Edition. MSDE. Downloads Express Edition. MSDE. May 29, 2016 Microsoft SQL Server 2000 Enterprise Edition, later renamed to SQL Server Enterprise 2008 R2, is a free edition of Microsoft SQL Server Enterprise Edition, designed to provide a simple but powerful toolset and a set of database administration utilities for database applications.
