## What's New in the NfsSummerLandscape2?

An amazing landscape as a screensaver! The sunflowers are swaying gently in the sun, while birds are flying around. Looking like a painting, this beautiful screensaver offers a very relaxing atmosphere. It is a screen saver with over 300 different high quality images and a digital clock which is synchronised with your PC clock. NerpkGraphics - Meme Madness is a fun Meme/Dodgeball style game. Dodgeballs and you have to dodge them to hit the opponent in their head. The game is a combination of FPS (first person shooter) and hack'n'slash (Fighting/Action) game. You can choose from 6 different characters and each has their own weapons and abilities. You can hit the opponent anywhere in their body, except for their head (unless you are immune, that is). Hit an opponent with the bouncy ball and you will get a point for every opponent you hit. Dodgeballs can be shot with different weapons such as the normal gun or the double and triple barrel guns. Description: Meme Madness is a funny and fun game for people who like FPS games and dodgeball. Dodgeball comes back, only this time with an awesome 3D graphics! Description: Magico is an adventure puzzle game for Windows 95/98/ME/2000/XP/Vista. Use Magico's character, a magician, to solve the puzzles. Every level will be a different adventure that will lead you through a world filled with puzzles. These puzzles vary in difficulty and range from simple to more challenging. Escape from Carcarat is an action packed platformer featuring a story-line spanning across five worlds. You take control of the ghost of a young woman called Carmen who is stuck in a nightmarish dimension. The evil Carcarat has trapped her in this world and needs your help to get back to her own dimension. Description: Escape from Carcarat is an action packed platformer featuring a story-line spanning across five worlds. You take control of the ghost of a young woman called Carmen who is stuck in a nightmarish dimension. The evil Carcarat has trapped her in this world and needs your help to get back to her own dimension. Description: A little insect makes its way through a long tunnel only to discover that it is trapped in a maze of tiny buildings. Its not even possible to reach the other side but how is the little insect going to get out? Description: A little insect makes its way through a long tunnel only to discover that it is trapped in a maze of tiny buildings. Its not even possible to reach the other side but how is the little insect going to get out? Description: Based on the popular TV show, Classic Theatre of the Cats is a fast-paced, action-packed video game where you control a cat through a bustling
